SUMMER RESEARCH WORKSHOP - 2024

on

'Advances in Life Sciences: From Genomes to Metabolism'

[3rd June – 28th June 2024]

(Supported by the DBT-BUILDER program)

Aim: The workshop is designed to expose young and curious minds to scientific realms and biological processes encouraging innovation and scientific discoveries through exploration of new ideas.

Who should attend: The workshop is open to trainees pursuing final year of under-graduation, or final year of post-graduation in any stream of Life Sciences.

Number of participants: 30

Registration Fees: There is no registration fee for this workshop.

Application Procedure: Application form duly endorsed by Head of the Department, including a brief CV and a 500-word write-up detailing your motivation for attending the workshop must be uploaded in the google form link provided below.

Google Form Link: <https://forms.gle/gFKugRLcYHtwByuh9>

Workshop Sessions: This workshop will cover expert lectures along with hands-on experience in a variety of laboratory techniques in the field of Life Sciences. Each trainee will have a mentor from the School of Life Sciences for all hands-on practical sessions.

Last Date of Application: 25th April 2024 (Selected applicants will be intimated by email on or before 30th April 2024)

- Selection will be done on the basis of merit. Students from National colleges/universities/institutions of all regions of the country are encouraged to apply. Due preference will be given during selection process to maintain national/regional representation to include remote areas.
- Selected students must attend the programme for the entire duration.
- No campus accommodation is available; however, outstation candidates may be considered for accommodation at MMTTC Hostel, JNU, subject to the availability, and on the payment basis.

Trainee Registration Form for Summer Research Workshop-2024 (3rd June to 28th June 2024)

Sponsored by the DBT-BUILDER Programme
Department of Biotechnology, Government of India

Part-A

1. Name:.....
2. Date of Birth :
3. Gender: Male/Female.....
4. Current Academic Programme enrolled in (B.Sc/M.Sc.)
.....at.....
5. Immediate past Degree(s) availed(Year)
from (College/University).....
6. Candidate's Current Address, phone No. and E.mail :
.....
.....
Phone:Email:
7. Candidate's permanent Address
.....
.....

Candidate

Part-B

- 1. Name of the candidate:
- 2. Academic qualifications:

Sr. No.	Name of class/degree	Completed/ongoing	Institute/University	Marks/CGPA

- 3. Any training/workshop/short-term course(s) completed in last one year. If yes, please provide details

.....
.....
.....
.....
.....

- 4. Brief (500 words) write-up on "what interests you in science and how this summer workshop would benefit you".

.....
.....
.....
.....
.....
.....
.....
.....

Declaration:

- A. I hereby declare that the particulars given by me in PART-A and PART-B forms are correct to the best of my knowledge and belief. I understand that any false statements or answers made by me on this application form will be sufficient grounds for immediate rejection of my application form.
- B. I agree the terms and conditions which are attached.

(Signature of the Candidate with date)

NOTE: Trainee registration form, duly forwarded by HOD/Principal/Dean, must be uploaded with all other relevant documents in google form 'Upload' section, as a single PDF file.
