Nature of Feedback/Issue: Students , Executive Development Program

Brief Feedback: Student: PG (2 years) Total approved intake (for 1st year and 2nd year) 1968. But the total students admitted was given as 2220 . Executive Development Programmes (Minimum One year duration): In this category university included Orientation Programmes and Refresher Courses with duration 4 weeks/3 weeks only. These should not be considered under the EDP. Pondicherry University and Madras University and other Universities having Human Resource Development Centres (HRDC) conducting the Orientation Programmes and Refresher Courses have not included these but they included EDP of at least 1 year duration. See their websites. This need to be corrected.

You are requested to analyse the above and take necessary action, if required.

Clarification - 1

1. The Students intake for the PG (2years) based on the intake for the respective programmes. As in JNU, the students from BA (Foreign Languages) after obtaining prescribed CGPA, they are promoted to MA. These courses are integrated BA-MA programme. There are also intakes for these programmes in MA, apart from the integrated promoted students.

The intake for the last two years ie 2016-17 and 2017-18 (988+980 = 1968) and the integrated students are 252. So the Total PG students is 2220.
