CIRCULAR

As per Delhi Disaster Management Authority Order No. F.1.(589)/DDMA(HQ)/Misc. Matters/COVID/21/ 368, Dated: 10.04.2021, this order is with immediate effect till 30.04.2021 or till further orders, whereby many activities are closed and restricted.

Since past few weeks, the covid-19 cases are increasing in the campus as well as Delhi and in the country, therefore, all Schools/Centres and Central library are desired to keep strict vigil in the areas where mingling among students and/or staff is possible.

Circulars have been issued for the strict enforcement of Covid-19 protocols in public places, libraries, laboratories, markets and hostels, however, this will be effective only when students also maintain the distancing and wear masks in these areas.

All Deans, Chairpersons and heads of departments are requested to take appropriate action. The staggered working hours/days should be implemented in laboratories as was the case during the beginning of the phased-opening of the campus. Students are advised not to come out of their hostels unless there is a necessary requirement to visit any particular facility. Department heads may also plan for the staggering work-hours and reduced number of staff wherever there is a concern of social distancing in the offices.

The Corona-curfew from 10 p.m. to 5 a.m. should be strictly adhered to. The School/Centre libraries which are smaller in size and could not maintain Covid-19 protocols shall remain closed.

A negative RT-PCR report (not older than 72 hours prior to undertaking the journey) shall be compulsory for all such persons/visitors who are arriving from Maharashtra. OR, otherwise, have to remain quarantine for 14 days.

Let us all practice strict distancing, wearing of face mask and staggered work timings till the Covid-19 cases start coming down.

This issues with the approval of the competent authority.
