Jawaharlal Nehru University is pleased to announce that the 5th Convocation of the University will be held on virtual mode on the 30th of September 2021. After a long gap of several decades, three years back JNU decided to resume the tradition of Annual Convocation to distribute Ph.D. degrees to its graduands. In the year 2018, the 2nd Convocation generated a huge excitement in the university and among its alumni. The Chancellor of the University, Dr. V.K. Saraswat was the Chief Guest on the occasion. The Hon'ble Vice President of India, Shri Venkaiah Naidu Ji graced the 3rd Convocation of the University. The following year, 2020, despite the Covid-19 pandemic a successful Convocation was held, albeit on the virtual mode. The Hon'ble President of India, His Excellency Shri Ram Nath Kovind ji graced the occasion as the Chief Guest. JNU Administration remains grateful to them. This year the Hon'ble Minister of Education Shri Dharmendra Pradhan ji will be the Chief Guest of the 5th Convocation of JNU. There is a tremendous excitement about the coming Convocation on 30th September, although it will have to be held on a virtual mode.

The registration for the 5th Convocation has been opened and the graduands can register on the JNU Webpage: <http://jnu.ac.in/convocation>. All the necessary details are given on this page. We look forward to welcoming our graduands on the 5th Convocation of JNU.
