

**JAWAHARLAL NEHRU UNIVERSITY
NEW DELHI – 110067**

PRESS RELEASE

As Vice-Chancellor, JNU I would like to thank Hon'ble President of India who is the Visitor of the University and also the Hon'ble Prime Minister and the Minister of Education for giving me this opportunity to work as the first woman alumnus of this esteemed University from the State of Tamil Nadu.

The immediate focus of this administration would be to provide a clean administration, student friendly and gender sensitive environment contributing towards academic excellence.

We would strive to implement NEP 2020 - the vision of our Hon'ble Prime Minister, especially in interdisciplinary and multi-disciplinary areas of studies, achieving greater heights of teaching and research in JNU. In the tune and spirit of the NEP-2020 we would be working towards foregrounding the Indo-centric narratives.

I look forward to working with students, faculty and staff to contribute in achieving these objectives.

Message from Prof. Santishree Dhulipudi Pandit
Vice Chancellor, JNU
