☆ Please note that indicators below with this symbol ↔ will automatically update if that indicator also appears in other QS rankings forms

☆ If your submitted numbers are the same as your previous year's, please select the indicator and click on SAVE. There is no need to edit the field. This must be done for every indicator that you wish to use previous year's data for.

☆ All submissions are taken to be a true confirmation of that data point by the university, and a 'signature' from that university as to its veracity. QS reserves the right to ask for further evidence where we are not confident in the submission. Any submissions found to be inaccurate will be rejected. Deliberate attempts by an institution to submit false data will result in rankings penalties or exclusion from the ranking.
